

POE-ADP30W

POE SPLITTER

Gigabit PoE Splitter with RJ45 Port and DC Jack

Key Features

- DC Jack: 5.5mm x 2.1mm / Type-C / Micro-USB connector
- Supports international standard IEEE802.3at/af ESD protection
- Supports 10/100/1000Mbps data transmission
- PoE In: 44 - 57V (30W)
- DC Out: 12V / 2A (24W)
- Total power 24W
- 1500V high voltage isolation

The Genie POE-ADP30W is a gigabit PoE splitter, with RJ45 port and 5.5 × 2.1mm DC jack.

Specification

Power

Data Transmission	10/100/1000Mbps
Power Input	44 – 57V / 600mA
Power Output	12V / 2A MAX
Standard	IEEE802.3 af/at(30W)
TRNF	1/2(+),3/6(-);4/5(+),7/8(-)
Interface Type	1 Input RJ45 port, 1 output RJ45 port, 1 DC output
LED	Yellow and Green 12V lamp

Other

Operating Temperature	-20° ~ 50°
Storage Temperature	-30° ~ 60°
Operating Humidity	10% ~ 90% non-condensing
Storage Humidity	5% ~ 95% non-condensing
Dimensions	81 × 28 × 24mm
Weight	100 g
